**TIPS: Postman Workspaces**

Let's get started!

# Overview of Workspaces

Workspaces allow you to build APIs independently or collaborate with your team.

# Postman Workspaces

APIs

Collections

Environments

Mock Servers

Monitors

Workspaces are similar to namespaces in programming languages.

# Visibility of Workspace

Visibility defines who has access to the API Elements in the workspace.

# Types of Workspace Visibility

**Personal**

**Team**

**Private**

**Public**

# Creating a Workspace

# Managing a Workspace

## TIPS: Postman Workspaces

## TIP #1

Use Find and Replace from the status bar to quickly search and optionally replace text.

## TIP #2

Give proper meaningful names for the workspaces.

# Postman Workspaces

## Summary

Workspaces allow you to build APIs independently or collaborate with your team.

# Postman Workspaces

# Creating a Workspace

# Creating a Workspace

# Workspace Overview Window

The screenshot displays the Postman interface for a workspace named 'eCampusConnect'. The interface includes a top navigation bar with 'Home', 'Workspaces', 'Reports', and 'Explore'. A search bar is located on the right. The left sidebar contains navigation options: 'Collections', 'APIs', 'Environments', 'Mock Servers', 'Monitors', and 'History'. The main content area is titled 'eCampusConnect' and features a tab labeled 'Overview' (highlighted with a red box and callout 1). Below the workspace name, there is a description field (highlighted with a red box and callout 2) and a section titled 'In this workspace' (highlighted with a red box and callout 3). This section contains a table with the following data:

Collection	APIs	Environments	Mock Servers	Monitors
1	0	2	0	0

Below the table is an 'Activity' section (highlighted with a red box and callout 4) showing a list of recent actions. The actions are:

- Praveen deleted the Demo Environment 2 environment (19 hrs ago)
- Praveen deleted the Demo Environment 2 environment (19 hrs ago)
- Praveen deleted the Demo Environment 1 environment (19 hrs ago)
- Praveen deleted the Demo Environment 1 environment

A 'Refresh' button is located to the right of the activity list. On the right side of the interface, there is a 'Get started' section (highlighted with a red box and callout 5) with links to 'Create a request', 'Create a collection', 'Create an API', and 'Create an environment'. Below this is a 'Sharing' section with a 'Visibility' dropdown set to 'Team' and a 'Members and groups' section showing 'You'.
